

## Prospective Partners Questionnaire

**There are a number of different ways that Planet Ark partners with other organisations. If you are interested in working with Planet Ark, please help us understand more about your organisation by forwarding a brief proposal addressing the questions below.**

**Please also view the environmental campaign and product information at [www.planetark.org](http://www.planetark.org) before contacting us.**

1. Who are you as an individual and whom do you represent (be it an organization, personality or group etc)? Please let us know the size of your organisation, number of years in business, number of employees or members.
2. What are the aims and objectives that you would like to achieve via a partnership with Planet Ark
3. There are a number of different ways that Planet Ark works with other companies and organisations. These include but are not limited to:
  - Endorsement of a product which has substantial environmental benefit
  - Direct campaign sponsorship to align your organisation with tangible environmental outcomes
  - Donations to Planet Ark or one of our campaigns
  - Enhancement of your workplace sustainability programs and communications
  - A consultation with Planet Ark to identify areas of potential crossover, and how we could work together to achieve mutual aims and objectives

Please let us know where you see the best fit.

**Send your proposal, including the information requested above to:**

**Anna Bowden, Partnerships Manager  
Planet Ark Environmental Foundation**

**VIA EMAIL: [anna@planetark.org](mailto:anna@planetark.org)**

**VIA POST: Level 2, 15-17 Young St, Sydney NSW 2000**
